## Your Results

Once you have arrived at your score from the Self-Assessment, you can shade in that section. 0 is at the center of the Compass, 50 is halfway out, and 100 is at the outer edge. Use a pencil, pen, or crayons to shade in the various sections. Your scores are not “good” or “bad,” nor are they “strong” or “weak.” They are simply a current snapshot of what areas of your life you have been paying the most attention to, and those areas that might be in need of a little more of your attention in order for you to be healthier.
